Discussion: Rule Change Proposal from Bureau of Enforcement

- 64B11-4.006 Mediation
- 64B11-4.005 Citations

The Bureau of Enforcement requested the Board to amend the following rules to allow resolution of additional violations by mediation and citation. These changes are proposed to increase mediation authority for minor violations, thus eliminating costs of service, investigation, prosecution, and compliance for successful mediation, as well as change citation authority for second time violations or instances where meditation is unsuccessful. In addition, with the upcoming CE@Renewal changes this allows mediation for continuing education violations, until continuing education is required to be documented for renewal, and eliminates the citation rules regarding continuing education.

The Board briefly reviewed and tabled this discussion until the July 2013 meeting as Ms. Amie Rice, with the Bureau of Enforcement, was unable to attend the meeting. Board Counsel was asked to bring back proposals regarding the types of violations which may be moved under the mediation rule.

**The Board moved the Agenda out of order to TAB 10 at this time.**

**TAB 9 Regulatory Plan for 2012-2013 Rules for Review**

- Rule 64B11-6.001, F.A.C., Continuing Education Program Approval
- Letter from Dynamic Learning Online, Inc. re: Online Interactive Education

The Board was addressed by Mr. Larry Gonzalez, representing a CE provider, not the Florida OT Association (FOTA). Mr. Gonzalez submitted a proposed Rule amendment to Rule 64B11-5.001(11)(a)(1) to allow a continuing education lecturer or author to receive continuing education credit for their Laws and Rules and Medical Errors courses they present for more than just the initial presentation, as stated in the current Rule language. The Board discussed and agreed to amend the Rule to allow continuing education lecturers or authors to receive continuing education credit for their Laws and Rules and Medical Errors courses they present 'for each biennium' as opposed to only receiving credit for a first time presentation.

After discussion, the Board requested Board Counsel to prepare draft language for Rule 64B11-5.001(11)(a)1 for the July 2013 meeting, as recommended and discussed.

**64B11-5.001, F.A.C., Requirements for License Renewal of an Active License; Continuing Education & 64B11-6.001, F.A.C., Continuing Education Program Approval; Dynamic Learning Correspondence re: Online Interactive Education**

The Board directed Board Counsel to draft language with consideration of the items below.

- Eliminate home study. Categorize credits under “Non-interactive” and “Interactive” – ref. paragraph (3). Interactive is to be defined as requiring “real-time” interaction with the course presenter/author during the time the licensee is participating in the course.
- “Interactive” designation pertains only to courses, not to providers, as providers may offer some courses which do not necessarily meet the proposed definition.
- Modify (11)(a) to provide the semester hour – continuing education credit equivalency for presenters of academic courses to 1 credit per semester hour up to the maximum of 8 per biennium defined in (11).
- Modify (11)(b) with ref. to PT Rule 64B17-9.001(6)(d), F.A.C.
